

THE WINE LIST AT SEABLUE RESTAURANT & WINE BAR

We have developed our wine list to reflect modern and traditional wine philosophies. Building relationships with several boutique importers and a few main stream distributors has enabled us to represent many wine producing nations around the world. Our mission is to provide our guests with an eclectic and intriguing selection.

All of our wines are temperature controlled and are served in Riedel stemware. We maintain an inventory of two bottles of every wine on premise and the remaining inventory is stored off premise at the owner's temperature controlled custom wine cellar in their private home. When needed or requested, tableside decanters are used to exhibit the truest qualities of our wines.

We offer our wines by the taste, half glass, custom wine flights, custom wine and food pairings, half bottles, full bottles, and large format bottles. In addition, custom half bottle flights provide further diversity in both wine and food sampling. Our wine by the glass program showcases our twenty bottle dual temperature stainless steel OZ Wine Bar controlled environment system to keep our luxury wines by the glass fresh. In addition, we also employ the VacuVin system with the combination of a strict bottle dating policy to ensure the guest always enjoys a fresh glass of wine.

Our wine training, although relatively informal, is hands-on, with tastings for the staff along with open forum discussions that take place on a daily basis. We are fortunate to have a staff that is both knowledgeable and interested.

In addition to our everyday wine program, we frequently have wine tastings, and a monthly wine dinner. In every aspect of our wine program it is our goal to make wine attainable for all people and to find the right wine for each palate. Our sommelier, Kenneth Norcutt, carefully tastes and selects every wine on our list.

Every wine tells a story and through travel we have collected many stories. The wines on our list are wines that we love, from people that we care about, and of places we have been. In short, each wine is a story we have chosen to share with you.

"Wine is constant proof that God loves us and loves to see us happy."

- Benjamin Franklin.
